CASSETTE - CD TRANSFER

\$14.99 per audio cassette to be transferred to CD. Includes initial Fade-In and final Fade-Out to remove microphone switch pops and noise. Optional editing is \$5 for each additional edit. To remove a segment of your recording, list the play time where you want a Fade-Out. Then list the play time where you want the recording to Fade-In and continue. The segment between these two times will be removed. Additionally, you may specify where a new track begins. For more edits, please list separately.
